**FOR RESEARCHERS > FUNDING OPPORTUNITIES****Pilot Funding Available through the CTSC**

The Clinical and Translational Science Collaborative (CTSC) announces competitions for pilot funding.

- **Annual Pilot Funding Competition** is designed to provide seed money to faculty in multi-disciplinary programs for Pilot Projects that will lead to efficient use of resources and support of inter-institutional, clinical translation research in the City of Cleveland.
  - **Deadline is 11:59 pm, May 1st**
  - Researchers in the basic science and clinical departments at CWRU, Cleveland Clinic, MetroHealth Medical Center, and University Hospitals are eligible
  - Watch for details.
  - Applications submission via the [WebGrants Application](#)
  - Review process - coming soon.
  - Contact Carolyn Apperson-Hansen at [cva9@case.edu](mailto:cva9@case.edu) with any questions
- **Other Pilot Funding Competitions** are designed as a source of small pilot funding for researchers who need to test an idea, run an analysis, or gather pilot data for an extramural grant submission. The application process is specific to your primary institution.
  - **Researchers at CWRU, University Hospitals, and MetroHealth Medical Center:**
    - **Deadlines are 11:59 pm, January 1st, April 1st, July 1st, and October 1st**
    - Funds must be used in CTSC Cores (<http://casemed.case.edu/ctsc/cores/>)
    - [Click here for details.](#)
    - Applications are submitted via the [WebGrants Application](#)
